Deposits Policy for New Enrollments – Under 2 Years Old – Effective March 9, 2026

At WELC, we treat decisions to offer a spot in our baby rooms very seriously. We consider it a promise that we will be able to provide the safe, nurturing assistance that you were seeking when you decided to enroll with us. In return, we expect parents to also treat this decision as a commitment. Due to our limited availability, once we offer a spot to your child(ren), we will most likely forego numerous opportunities to offer that spot to other families.

The new Deposits Policy will consist of 3 payments prior to your child's first day. A Registration fee of \$125 will be due at the time an open spot is promised by WELC to the family. Then, approximately 8 weeks before the first day, your First Week Tuition payment is required. Finally, your Second Week Tuition payment must be made approximately 4 weeks prior to the first day. Each of these payments is non-refundable. Failure to make the required payments as scheduled will put your reservation in serious jeopardy, including possible forfeiture or a change in start date. Once your child begins attending WELC, the First and Second Week payments will be applied to their regular Tuition.

Every effort will be made to accommodate if you wish to begin your enrollment earlier than scheduled. However, if you elect to delay your start beyond your Promised Start Date, you will be required to pay a Slot Retention Fee of \$100 for each week that your actual start falls after the Promised Start Date. A grace period of one week will be granted for each additional week that your actual delivery came after your planned delivery date. Exceptions will be allowed for delays related to the health of Mom or baby.

Should WELC ever fail to live up to its promise to provide a spot that was reserved (which would be due to rare and/or unforeseeable circumstances), we will refund to you any deposit money previously paid, plus an Inconvenience Fee equal to two weeks of tuition for the impacted child(ren).
